

Asosiasi Perusahaan Klining Servis Indonesia

(APKLINDO)

The Association of Indonesian Cleaning
Service Enterprise

TERM OF REFERENCE

THE APKLINDO ASSOCIATIONS PROGRAM

INDONESIA IN GENERAL

- Indonesia is a very vast country consist of 33 provincial state with a magnificent natural resources such for forestry, mining, gas and oil, forestry, palm oil and others farms, and other things.
- The country has also a splendid natural attraction such as spectacular beaches and seas, resorts, hundreds of different cultures, sightseeing, natural reserve area, etc.

INDONESIA IN GENERAL

- With the Indonesia Chamber of Commerce (KADIN), APKLINDO for Cleaning Service standardization, has set up a rule that every company which provide cleaning service work need to be certified.
- Therefore every contractors that has government services contract should have a certificate that was provided by KADIN and APKLINDO.
- Nevertheless, for certain institutions such as cooperative bodies and private sectors do not have the certificate since what they manage in a private sector own building do not require such rule.
